“DOT Chart 13”

March 10, 2009

Name: Vitaly Volfson

Organization: Rohm and Haas Company

Comments: Cargo Aircraft Only Label- A new design for cargo aircraft only label was published in 1/14/2009 Federal Register, Pg. 2253, The new label is authorized for use as of 1/1/2009 and mandatory on 1/1/2013. Recommend to add the image of an updated cargo aircraft label to the chart and include the Transition date, similar format to the Organic Peroxide label change. Marine Pollutant- A new design for Marine Pollutant label was published in 1/14/2009 FR, Pg. 2252. The new label is authorized for use as of 1/1/2009 and mandatory on 1/14/2010. Recommend to add the new Marine Pollutant label design to the chart with a transition date. Excepted Quantities - Recommend addition of the new Excepted Quantities label as specified in 49CFR 173.4a. Identification Number Display- In the discussion section, under item (2), add that the vehicle or freight container contains no other material, hazardous or otherwise. Thank you for the opportunity to provide comments
